Storage 2024/2025

Welcome! Thank you for storing at the Otsego County Fair with us this year. Your storage fees go into putting on the fair each year and maintaining the fairgrounds. We appreciate your continued support in our program.

***A few housekeeping items to note.***

- *Payment is required at drop off.*
- *Storage Pickup Dates depend a lot on the weather and amount of snow we have in the spring as the grounds are not plowed during the year. We will contact you with the dates as soon as we set them. If you have questions in the spring regarding that please contact us at [otsegofair@gmail.com](mailto:otsegofair@gmail.com) . We are proud to be a group of volunteers; with that said please note that responses will be as soon as possible.*
- *Once your item is stored you will not be able to get it out early or in the middle of the season, As noted before the grounds are not plowed and this process simply is not able to be done with snow and other items stored with us. Thank you for understanding.*
